Supervisor Hrubes reported that Town roads were mowed and that the mower needed service which was done. Chairman Johnsrud reported that he expects to grant fireworks permits to Jerome Kohout and John Zadrazil like last year. He further reported additional work has been done on Shemak Road, the fines or top layer is being laid down, and that if it packs down adequately, the road should also be sealcoated this year. There is a LRIP grant of about \$39,000 for Shemak Road to help with this expense. Regarding the flood of 2017, there is still paperwork to be submitted to be submitted to the State FEMA office; the problem there being that the Hackl/Riverway Trucking invoices often lacked detail to show what expenses were FEMA eligible and which were not.

Chairman Johnsrud reported that Town bridges on Hooks, Bush, and Neff Roads need repair and maintenance in the future also. The meeting concluded with discussion on the recycling center work schedule and Town website issues and problems.
